

Jaywick Sands Revival Community Interest Company

The Residents of Jaywick Sands have the opportunity to influence and realise the potential of their local area and local people, working together for the community both for now and for the future.

Members of the Jaywick Sands Community have formally registered the Jaywick Sands Revival Community Interest Company (JSRCIC) with Companies House. This Not for Profit Company will secure funding via grants and investments to bring to life community projects and initiatives in Jaywick Sands as voted for by its shareholders.

For £1, those living and working in Jaywick Sands are being invited to buy shares in this new company, giving them the right to vote for initiatives and projects that not only affect them, but could affect you.

Grab your opportunity to help shape the future of Jaywick Sands. Buy your shares and use your votes, maybe put forward your own ideas and get involved by supporting others.

Buy your shares today to secure your right to vote on the things that are important to you and your family and friends such as your employment and training opportunities, improved housing and transport links and access to leisure activities and retail outlets.

The JSRCIC will work together agreeing goals, to plan and build a community that values their neighbours, their well-being and that enables residents of all ages to be actively involved in creating a sustainable future for Jaywick Sands, to make a difference.

Ongoing support will be given by DERiC - Developing and Empowering Resources in Communities. DERiC believes that communities should have a strong influence in the things that matter to them and should be able to do things that will make life better for all local people. With DERiC's support and the resolve of the Community, Jaywick Sands can achieve that. DERiC's Board Members have awarded a grant of £10,000 to the JSRCIC - this is just the beginning.

JSR CIC Directors - Interim

Cllr Roy Raby – Chair
